

Company Profile

Metal Mate Co. Ltd,

1.

- Origin & Establishment

2.

- Company Timeline

3.

- Certifications

4.

- Products and Markets

5.

- Sales in Numbers

Founded in 1997 in Thailand

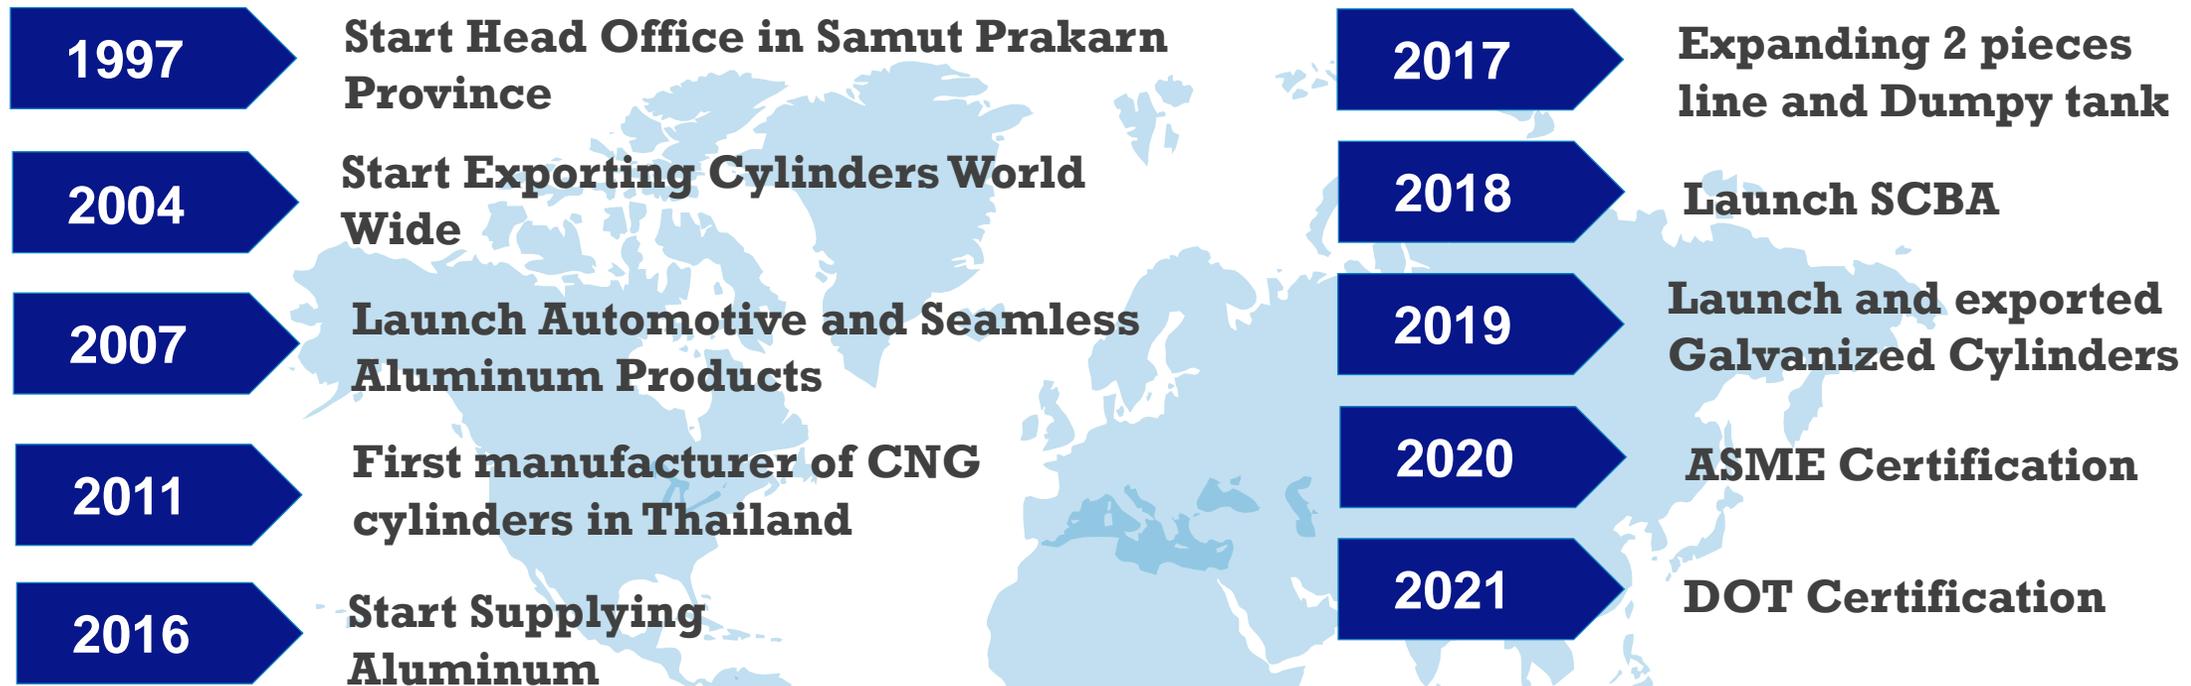

Social Capital of 4 M USD

Over 800 Employees

3 Factories

1 Reconditioning Factories

2 Steel Cylinders Manufacturing Factory

Our strategic priority is to listen to our customers and provide to their requirements

ISO/IEC 17025:
General Requirement
for the competence of
testing and calibration
laboratories

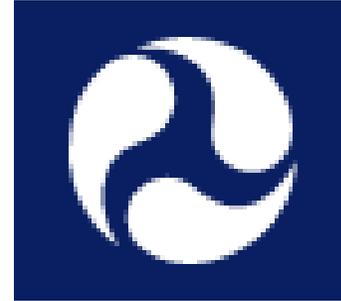

ISO/TC 16949: Design
/ Development,
production, installation
and servicing of
automotive-related
products

ISO 9001:2015: Quality
management systems

ASME: Standard that regulates the design and construction of boilers and pressure vessels.

Pracksa Plant (HQ)

- Seamless Aluminum
- 800pcs/day

- Aluminum Forklift
- 400pcs/day

- Composite
- 800pcs/day

- Automotive Tank.
- 500pcs/day

Aluminum Cylinders

100% Leak proof, lightweight cylinders and more profitable, durable, corrosion free with excellent thermal conductivity.

Composite Cylinders

The cylinder lighter weight and easy to handle. 100% explosion-proof.

Bang Pu Plant

- **2 pcs cylinders**
8,000 – 10,000pcs/day
- **3 pcs cylinders**
1000pcs/day
- **Dumpy**
100pcs/day

Bang Pla Plant

- **Refurbishing Cylinder**

Steel Cylinders

Conventional welded cylinders
manufactured in two or three parts
for the LPG & Refrigerant Industry

Starting from 3KG an onwards

Dumpy Tanks

Conventional welded cylinders
manufactured in two or three parts
for the LPG & Refrigerant Industry
from 180KG – 500KG tanks

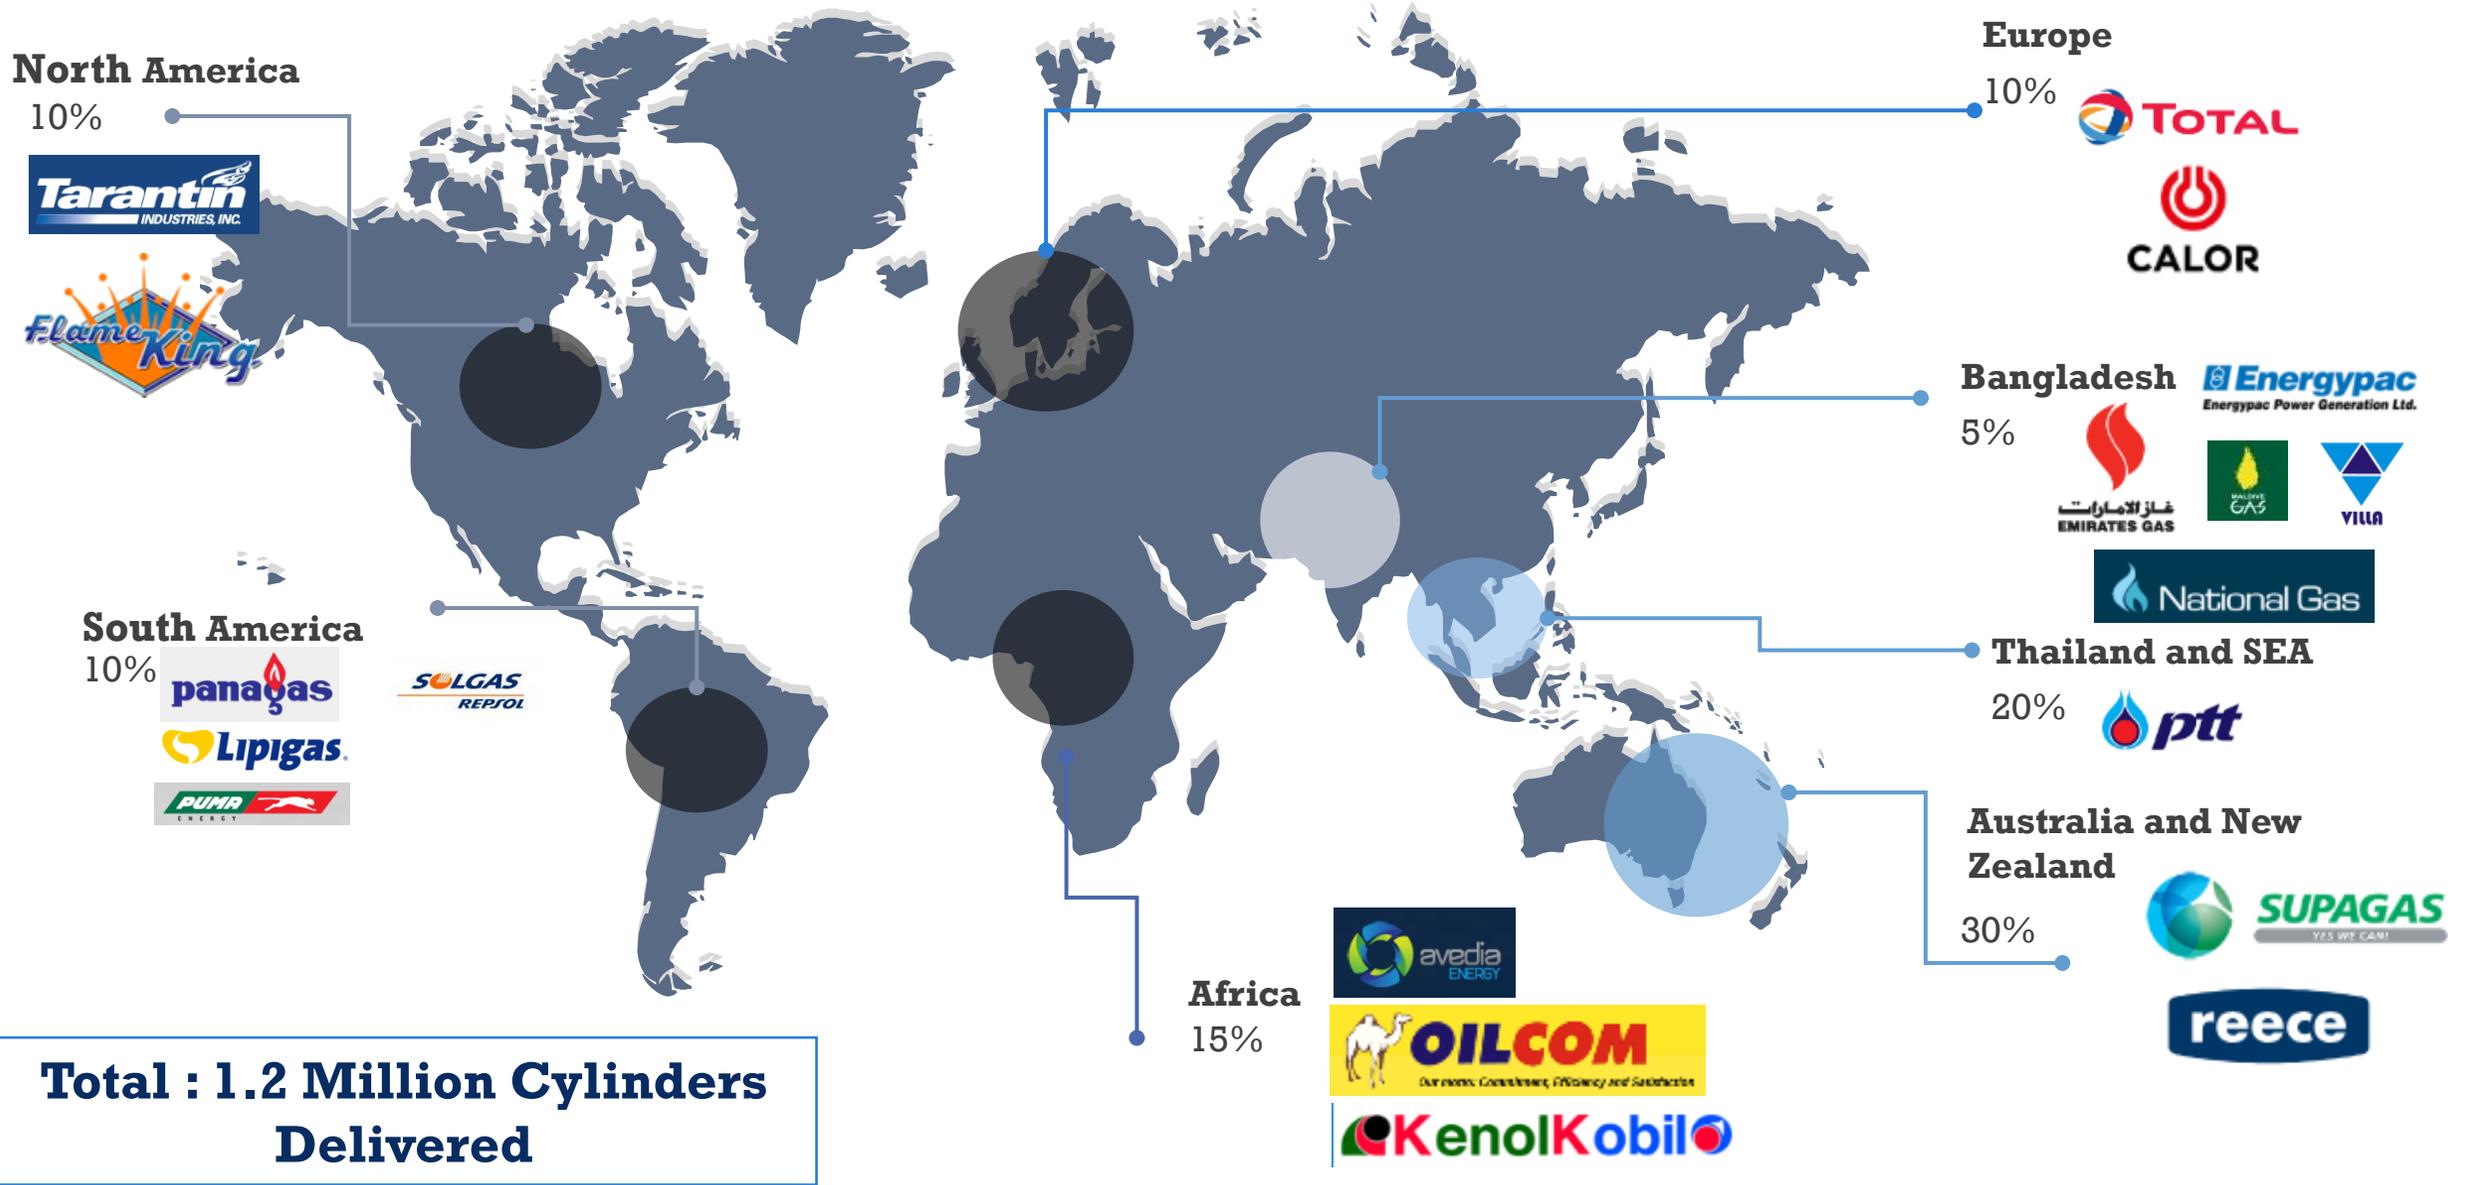

Options:

Code 3 – Zinc Metalised Coating

Code 1 – Zinc Galvanised Coating

Current International Markets

**Total : 1.2 Million Cylinders
Delivered**

Cylindrical LPG Cylinder

The one who manufacturer capsule cylinder to meet the European Standard

Toroidal LPG Cylinder

Can be installed in spare tire cradles and brackets

Neil CNG Type 3

Use Seamless Aluminum liner and carbon fiber wrapping

SCUBA CYLINDER

Ultra-light weight and convenient to use

SCBA CYLINDER

It's suitable for rescues, firefighting
