looking ahead

THE CAVAGNA GROUP IS

World leader in the technologies which regulate and control compressed gasses

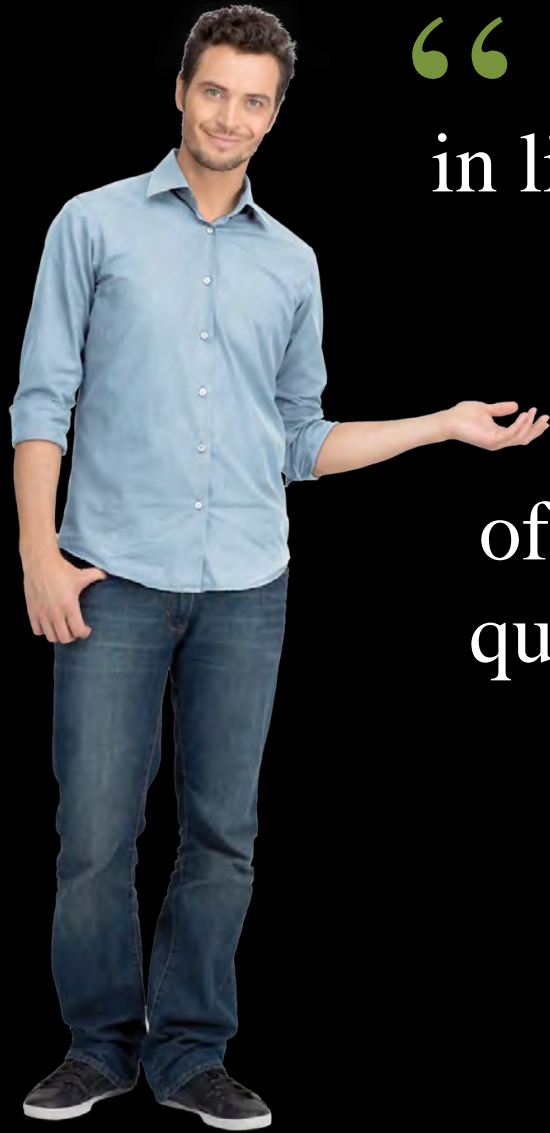

Their products touch the lives of millions of people throughout the world.

Mission

“ To stay in tune with people’s everyday living, providing solutions that make practical, safe and beneficial use of compressed gas. ”

“ GREENGEAR,
in line with Cavagna Group’s
mission

Improve the quality
of life while sustaining the
quality of the environment. ”

“ Beyond the idea,
the business fundamentals.

Greengear is a business
to boost the propane
industry.”

Come and see...

SOME FIGURES

**Greengear's market
already exists!**

**Just take advantage
of the opportunity...**

Gasoline powered equipment Italian market

Gasoline powered equipment US Market

- Market Statistics
- Shipment Reports
- Industry Forecasting
- Market Intelligence – Economic Indicators

These information are available at the Outdoor Power Equipment Institute (OPEI)

Engine market worldwide

100.000.000
produced every year

25.000.000
by only 5 manufacturers

Source: Engine manufactures database

And so
Why not switch to propane now?
Many indicators show
THE TIME HAS COME.

.....
Greengear makes all the exclusive advantages of propane technology available now.
.....

Reduced emissions and pollution

Noise reduction

Increased engine life

Full and reliable performance

Less frequent refueling

Cleaner & not smelling

Safe to use

Reduced maintenance costs

Significant fuel saving
(depending on the country)

Greengear presents a wide range of products.

Garden

Riding Mower
Lawn Mower
Brush Cutter
Blower & Vacuum
Hedge Trimmers
Tiller
Shredders
Log Splitter
Sprayer
Scarifier

Heating

Heaters

ENERKIT

Greengear has adopted the Enerkit from Cavagna Group:
it maintains the same performance as a gasoline motor,
but consumes less fuel.

ENERKIT BASIC

ENERKIT PLUS

With Enerkit it's easy to convert a gasoline fueled motor,
with just two interventions:

The carburetor...

The fuel tank...

Greengear products:
efficient, competitive, sustainable and...
attractive!
